OMISSIONS, CORRECTIONS AND ADDITIONS

ADMINISTRATION MINISTRY TEAM

The Bell Tower Restoration Project (painting and significant wood work) is complete and looks beautiful. Also, new energy-efficient tower lighting has been installed. If you haven't seen the finished product yet, take a look -- day or night.

HCC's stewardship efforts for the 2015-16 church year are being co-chaired by Valencia McMillan and Jane Troha. As a congregation, not only will we prayerfully contemplate and pledge financial support for our church and its ministries — although that will be a critical component this Fall — but throughout the year we will also examine how to be good stewards of God's gifts to us: Christ's Church, our planet, and our selves.
